Subject: 2023 Small City Allotment Program Awards Announcement

Dear Michele,

In accordance with ORS 366.805 and the recommendation of the Small City Allotment Advisory Committee, I am pleased to announce that the project submitted by the Town of Lakeview was one of 27 selected to be funded. ODOT received 84 applications requesting a total of \$18,920,300 with funding limited to \$6,319,418 it made for a very competitive selection process.

The SCA award amount for your project is \$250,000.

The next steps will be for ODOT to develop the grant agreement, submit it to the Department of Justice for review and upon approval it will be presented to the City for review and signature.

It is our recommendation that you familiarize yourself with the program rules by reading the [Guidelines for Grantees](#) document.

Please be advised that only work that begins after Notice to Proceed is issued will be eligible for reimbursement.

Your participation in the program is appreciated and we look forward to seeing your completed project. If you have questions regarding the SCA program please contact me at (503) 986-3441 or deanna.edgar@odot.oregon.gov.

Sincerely,

Deanna Edgar
