RE: Award for Seismic Rehabilitation Grant Program, Lakeview Fire Station

Dear Mayor Turner:

Congratulations! The above referenced project was chosen for funding in this round of Seismic Rehabilitation Grant awards. The project will be receiving a grant in the amount of \$2,499,420.

The legal obligations for funding and for reimbursement of project expenses are subject to execution of a contract between your town and the State of Oregon acting by and through the Oregon Business Development Department – Infrastructure Finance Authority.

Once the contract has been completed the necessary documents will be delivered to you for your review and signature. **Funds cannot be spent for any project activity that will be using the grant funding until the contract has been fully executed.**

As a reminder, the project is also subject to review and compliance with the Oregon State Historic Preservation Office. The Oregon SHPO Clearance Form is available for download on their web site or by contacting me at (503) 986-0132 or [gloria.zacharias@biz.oregon.gov](mailto:gloria.zacharias@biz.oregon.gov)

We are pleased to be able to offer this assistance to your facility and the community. We look forward to partnering with you to complete this vitally important project.

If you have any questions or need further information please let me know.

Sincerely,

Gloria Zacharias, PCED  
Program and Policy Coordinator
